

ENGLISH SUMMER CAMP

In Mahdavi International School

Our summer camp program for all the Mahdavi International students, from KG up to G6, starts from 22nd of June and will continue up to July 29th.

In Mahdavi International School it's our responsibility to provide your children with the structured supportive environment in which they can come to develop lasting friendships, and learn to challenge themselves and to seek out new experiences and grow as individuals.

Please note that Summer Camp registrations take place on the same day of their performance on June 3rd for Kg-G5 and for G6 will take place on the same day of their Exhibition.
